Contingent Worker Access

<u>Box, GE Libraries and Yammer Access for Contingent Workers</u>

Contractors and contingent workers need to obtain authorization from their direct Manager/Sponsor to access Box, GE Libraries, and Yammer. If you require access, please contact your manager and ask them to grant you access in Fieldglass or complete the following steps (also available as PDF).

1. Visit **https://oneidm.ge.com/faces/modules/access_manage/CollabAccess.xhtml**
2. Enable access as required and click the **Submit** button:

GE Collaboration Tools - Access Management
Click the 'enable' check box below for any of the GE collaboration tools required by your sponsored contingent workers. It may take up to 24 hours for these permissions to reflect in the Collaboration Tools.
